Subject: Draft Rosemont letter
Attachments: image1.JPG; ATT00001.txt

Kathleen -

During a bout of insomnia last night, I drafted the letter below. If this is what you had in mind, I'll prepare it as a Word document as soon as I get to the office. Due to the insomnia, I am running late this morning; however, I expect to arrive around 9:15.

If you think we need and could get approval for something more detailed, we can await whatever Carter comes up with later today.

-Kathy
